

DynaCal

Calcium 10.25% Foliar Spray

PRODUCT INFORMATION

DynaCal™ Calcium 10.25% is chelated with Sorbitol for use as a supplement to aid in the prevention and correction of calcium deficiency. It is buffered at a neutral pH which permits it solubility in tank mixes. It has additional additives that enhance plant cell wall penetration. For best results it should be used with a balanced fertility program with good liming practices and should **not** be used to correct soil pH. Do not use with foliar fertilizer containing high amounts of phosphates or products that contain sulfate.

CROP RECOMMENDATIONS

Fruit Crops: Apply 2-3 quarts in enough water to cover and wet thoroughly.

Foliage & Ornamentals: Apply 1-2 quarts per 100 gallons of water as a drench or foliar application.

Vegetables & Row Crops: Apply 1-2 quarts of DynaCal™ Calcium per acre in enough water to cover.

Turf, Greens & Tees: Apply 6-8 ounces per 1000 sq. ft. in enough water to cover. Repeat monthly if calcium deficiency is a problem.

Fairways: As a supplement to Hi-Calcium limestone or Dolomite, apply 3-5 gallons per acre in enough water to cover.

DIRECTIONS FOR USE

DynaCal™ Calcium should be applied weekly starting at early bloom throughout harvest in enough water to cover.

Aerial Application: Use recommended rate in 5 to 10 gallons of water per acre. A jar test to check the compatibilities of unfamiliar or new combinations should be performed prior to mixing and application.

PRECAUTIONS

Avoid getting in eyes, mucous membranes or on skin. Use with adequate ventilation. Keep container capped when not in use. Do not contaminate feed, seed or water supplies. Keep away from children. Material has a two year shelf life.

FIRST AID

Skin: Remove contaminated clothing. Wash with plenty of clean water and soap. Consult a physician.

Eyes: Rinse with clean water for a minimum of 15 minutes. Seek medical attention.

Internal: Drink 2 glasses of water. **DO NOT INDUCE VOMITING.** Seek medical attention at once.

GUARANTEED ANALYSIS

Calcium (Ca) 10.25%
Derived from: Calcium Sorbate

CONTAINER DISPOSAL

Triple rinse empty containers and offer for recycling or dispose of in accordance with federal, state and local authorities.
