

SAFETY-IRON

STAIN-LESS FORMULATION

LIQUID IRON 5%

Reduces risk of iron stains on concrete and painted surfaces. Ideal for use in residential and commercial turf settings.

GENERAL INFORMATION

Safety-Iron 5% is specially formulated to be applied on lawns and turf in areas that present risks of staining concrete. When Safety-Iron is properly applied it will correct and prevent iron deficiencies in turf and lawns. A jar-test to check the compatibilities of new or unfamiliar combinations should be performed prior to mixing and application. The addition of a non-ionic surfactant will help reduce surface tension and improve uptake.

RECOMMENDATIONS

Turf, Greens, Tees, & Lawns: Apply 1 to 2 ounces per 1000 sq. ft. in enough water to allow for thorough coverage. Repeat every 2 to 4 weeks or as needed.

Fairways: Apply 1 to 2 quarts per acre in enough water to allow for thorough coverage – usually 50 gallons of water. Repeat as needed.

Other Crops Requiring Iron: Use reduced rates of 1/2 to 1 pint per acre in enough water to cover and repeat at regular intervals. Do not use on solanaceous plants or plants sensitive to foliar iron applications.

GUARANTEED ANALYSIS

Iron (Fe) 5.00%
5.00% Chelated Iron (Fe)
Derived from: Iron citrate

DIRECTIONS

Safety-Iron should be applied at regular intervals at 1 to 2 quarts per acre in a minimum of 50 gallons of water.

CAUTION

Caution: Use hand and face protection. Keep out of reach of children. In case of contact with eyes, flush immediately with water. See a physician. Respiratory protection may be required for use in enclosed areas

PRECAUTIONS

Shake well before each use. Avoid getting in eyes, mucous membranes or on skin. Use of side-shielded safety glasses is recommended. Use with adequate ventilation. Keep container capped when not in use. Do not contaminate feed, seed or water supplies. **Do Not** use this product in aerial or ultra low volume applications in combinations with magnesium nitrate, on spinach, or other iron-sensitive crops. **Keep away from Children.** **NOTE:** Do not apply concentrated formulation directly to concrete or similar surfaces as staining may occur.

CONTAINER DISPOSAL

Triple rinse empty containers and offer for recycling or dispose of in accordance with federal, state and local authorities.

FIRST AID

Skin: remove contaminated clothing. Wash with plenty of clean water and soap. Consult a physician.
Eyes: Rinse with clean water for a minimum of 15 minutes. Seek medical attention.
Internal: Drink 2 glasses of water. **DO NOT INDUCE VOMITING.** Seek medical attention at once.

CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to Seller within Thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The Seller's liability under this warranty is limited in amount to the purchase price of the product. This warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. There are no warranties which extend beyond this statement.
